

## The APS Team is Embracing 2018 with Lots of Exciting New Projects

As the new year takes off, the APS Team is busy with lots of new projects involving downsizing, moving, and planning new spaces for our senior clients who wish to age in place.

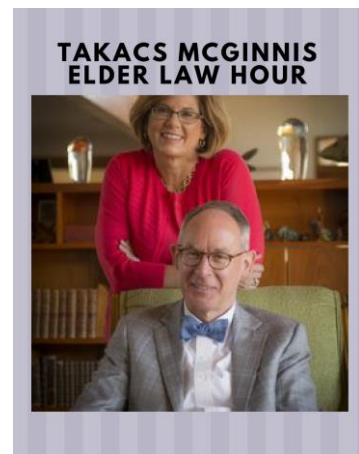

Have you visited our gallery lately? That's where you will find many examples of recently completed projects.

Click [here](#) to read about how we worked with Ada and her family to smoothly move her into a beautiful new space. And, see the before and after result's of Miss P's bathroom renovation. Be sure and watch the behind-the-scenes videos of that project where you will learn more about what is involved in creating new spaces to areas of a home to make it more accessible.

### Watch APS on Channel 5's Takacs McGinnis

#### Elder Care Hour on YouTube

Just in case you missed APS owner Sara Beth Warne on the segment of Takacs McGinnis Elder Law Hour on Channel 5+ Nashville in "real time," you can watch it online by clicking [here](#).

The show brings expert advice and thoughtful commentary on the personal, legal, and financial challenges created by aging, chronic illness, and disability. Hosted by Tim Takacs and Barbara Boone McGinnis, the show first aired in December on NewsChannel 5+.

### Follow Us on Facebook to Learn More

We post interesting new articles, tips and updated information about current projects on our Facebook page. We also encourage our followers to post comments and reviews ... and please feel to ask questions. The APS Team has lots of resources that we are happy to share whenever we can.

Click the Facebook icon and it will take you to our page.

### Best Wishes for a Wonderful 2018!
