

The APS Team Sees Lots of New Growth!

The Aging in Place team has been on the move lately. We've been to lots of new places, we have new faces and much more ...

We have a new Facebook Page!

If you want to keep up with our comings and goings then be sure and "Like" our page. Just click the Facebook icon and it will take you to our page.

And, we have a newly refreshed and responsive website. Please take time to see the newest information about our client projects and what they have to say about us.

Meet our newest team member:

Mary Gay White

Mary Gay joined our staff after retiring as an Occupational Therapist with the State of Tennessee. We're glad she's joined with us and has quickly become a key member of our transition team. Click [here](#) to learn more about it.

May 14 - 20 is National Senior Move

Managers Week!

We are committed to assisting older adults and their families with later lifestyle transitions. In fact, we are part of "A Circle of Experts" because of our expertise in all things related to assisting our clients and their families with downsizing, relocating and aging in place.

We are on the move! Check out our new van!

We are committed to investing in whatever we need to get the job done. Our new van has given us more flexibility with our many client moves.

Our goal is reach out to all of you and let you know about our services, introduce our team, and give you some great stories from our clients. You can read more about us on the website or Facebook page..... and, please, be sure and share this with your friends and family.
